Cybersecurity is one of the hottest career fields in information technology! Come to SIU Cybersecurity Day 2017, October 21, to learn about this exciting career field and how to protect yourself online!

- Participate in hands-on security workshops and demos
- Compete in a mock cyber defense competition
- Learn about studying cybersecurity at SIU
- Hear experienced industry experts discuss their careers
- Lots of great door prizes
- Lunch and T-shirt (students only)
- Open to the public, but focused on students
- Registration required - ISAT.SIU.EDU

Community colleges and high school groups are encouraged to attend and participate in the mock competition as a team!

For more information, and to register, visit ISAT.SIU.EDU
