

SIU Cyber Security Day

April 23, 2016

Learn about studying cybersecurity at SIU and participate in a mock competition with the SIU Security Dawgs!

Cyber security is one of the hottest career fields in information technology! Come to SIU Cyber Security Day 2016 on April 23 to learn about this exciting career field and how to protect yourself online!

- Hear experienced industry experts discuss their careers
- Learn about studying cyber security at SIU
- Participate in a mock competition with the SIU Security Dawgs
- Win cool techie door prizes
- Delicious lunch and fashionable T-shirt (students only)
- Open to the public, but focused on students
- Registration required—ISAT.SIU.EDU

Community colleges and high school groups are encouraged to attend and participate in the mock competition as a team!
No prior security knowledge or experience required!

Register at ISAT.SIU.EDU by April 8 for a chance for a free T-shirt!

For more information, and to register, visit ISAT.SIU.EDU
